

BT Evaluation Interview Qs for Children

The following questions should be answered by the child or children being evaluated.

1. Do you like to be on camera? Why or why not?
2. What kinds of things do you enjoy doing? Why?
3. What are you most excited about (ex. school, sports, or life)? Why?
4. How would your friends describe you? Why?
5. Do you like to read? What do you enjoy reading?
6. Do you like sports? Which are your favorite and why?
 - a. What about your favorite sport do you like most? Why?
 - b. What do you least enjoy about it? Why?
7. What subjects in school do you like most?
8. Where are some of your favorite places to visit? Why?
9. What do you want to be/do when you become an adult? Why?
10. What would you most like others to know about you?
11. What kinds of things motivate and encourage you most?
 - What discourages you or gets you down?

Note: The interview process should last approx. 10-15 minutes, and longer is helpful, too.

Optional Question: May we have permission to perhaps utilize portions of this video interview for helping others to better understand and apply Brain Typing via future materials? *(Note: We always make our best effort to act responsibly and honorably in this regard.)*

Upon completion, post online (YouTube or Vimeo), and send us a link to your video. Or, you can mail-in your video
